

Core360

Enjoy Financial & Peace-of-Mind Protection!

Unexpected repairs can be costly and time consuming. Core360, by CornerStone United, offers valuable mechanical breakdown protection for new and pre-owned vehicles and any budget.

Core360

Repair Protection For New
and Pre-Owned Vehicles

Coverage Benefits

Rental Expense

Up to \$75 per day, up to 5 days, for substitute transportation in the event of a covered mechanical breakdown.

Trip Interruption

Up to \$75 per day, up to 3 days, for restaurant meals and lodging in a hotel/motel.

Roadside Assistance & Towing

Up to \$100 per occurrence for covered emergencies including:

Emergency Towing
Flat Tire Assistance
Fuel, Oil, Fluid & Water Delivery Service
Lock-out Assistance
Battery Assistance

Protection From the Expenses of Costly Repairs*

Core360 coverage levels prevent out-of-pocket expenses for costly repairs such as:

Engine	\$8,400
Transmission	\$4,800
Air Conditioner	\$1,400
Electronic Control Module	\$1,500
Electrical	\$1,150
Anti-lock Brakes	\$1,000
Fuel Pump	\$850

**Based on CornerStone United adjustable claims data*

Included Coverage

Engine/powertrain modifications

Coverage for vehicles that have certain modifications not recommended by the manufacturer such as cold air intakes, headers, performance chips/tuners, aftermarket turbo/superchargers, high flow exhausts and more!

Commercial use

Provides coverage for vehicles used commercially such as livery, trade work, fleet use and more!

Lifted body/suspension

Provides coverage for vehicles lifted up to 12".

Oversized tires

Provides coverage for vehicles with oversized tires up to 40" in diameter.

Optional Coverage

Luxury Electronics (included with Ultimate)

Coverage for some of the most expensive components to repair such as GPS units, driver assist sensors, heads-up display unit, seat heater elements, suspension sensors, steering wheel switches and more.

Rental Expense Upgrade

Increases the standard \$75 daily rental benefit to a \$100 daily benefit

Enhanced Seals and Gaskets (included with Ultimate and New/Extended New Coverage)

Seals and gaskets for all covered components are covered independently or in conjunction with a covered repair

Consequential Damage

In the event a failure occurs to a non-covered part, due to the failure of a covered part, the non-covered part will be repaired. In the event a failure occurs to a covered part, due to the failure of a non-covered part, the covered part will be repaired.

Mobility Equipment

Coverage for chair lift motors and assemblies; electric/hydraulic ramp controls and assemblies; adjustable seating mechanisms; adjustable pedal and steering control mechanisms; hoist and swing arm mechanisms; kneel systems; door opening and closing systems that are part of the original mobility conversion.

Core360 - Coverage Solutions for Virtually Any New or Pre-Owned Vehicle!

C-1 Bronze Coverage

Engine (Gas or Diesel): All internally lubricated engine parts including: pistons, piston rings, piston pins, crankshaft, main bearings, thrust bearings / shims, connecting rods, connecting rod bearings, camshaft, camshaft bearings, balance shaft, balance shaft bearings, timing chain or belt, timing gears, tensioners / guides, intake and exhaust valves, valve springs, valve guides, push rods, rocker arms, rocker arm shafts, cam followers, lash adjusters, lifters, oil pump, oil pump housing, oil pump pressure relief valve and spring; water pump; mounts; harmonic balancer; crankshaft pulley; flexplate; valve covers; timing gear cover; oil pan; oil dipstick and tube; injectors and vacuum pump; engine block and heads if damaged by an internally lubricated moving part, diesel injection pump, injectors and vacuum pump, rotary chamber, rotor and main bearings.

Transmission: All internal parts; mounts; transmission pan and case are covered if damaged by the failure of an internally lubricated moving part. Automatic: torque converter, front pump, planetary gear set, clutches, clutch apply piston, internal sealing rings, input and output shafts, roller clutches, bands, check balls, band apply servo, drums, center support, governor assembly, vacuum modulator, valve body, stator and stator shaft, bushings, pressure regulator valve and bearings. CVT (Continuously Variable Transmission): transaxle assembly; valve body, CVT belt, and pulleys. DCT (Dual Clutch Transmission): Dual-clutch assembly. Manual: Gears, shafts, bearings, bushings, counter shaft, synchronizers, synchronizer sleeves, detent balls, thrust washers, shift forks, levers, collars, and springs.

Hybrid / Electric Vehicle: Hybrid Control Unit(s) including inverter; stator and rotor; battery sensors; cooling fan; cooling duct(s); high voltage harness and junction box; electric drive motor(s); drive battery pack.

Turbo / Supercharger: All internally lubricated parts including bearings, turbine and turbine shaft; housing is covered if damaged by the failure of an internally lubricated moving part.

Transfer Unit (4x4): All internal parts; internal gears; shafts; bearings; bushings; input and output shafts; counter shaft; synchronizers and sleeves; springs and viscous couplings. Transfer case is covered if damaged by the failure of an internally lubricated moving part.

Drive Axle(s): All internal parts; axle shafts; axle bearings; drive shafts; "U" joints; CV joints; tripod joints; ring and pinion gears; carrier assembly; bearings and shims; center support bearings; locking assembly; bearings and shims; center support bearings; locking hubs; 4-wheel drive actuator. Differential case is covered if damaged by the failure of an internally lubricated moving part.

Seals and Gaskets:

Seals and gaskets for covered components are covered in conjunction with a covered repair.

C-2 Silver Coverage

Includes all C-1 Bronze Coverage, plus:

Steering (Manual or Power): Power steering pump; all internal parts in rack and pinion; steering gearbox.

Electrical: Alternator; voltage regulator; starter motor, drive and solenoid; turn signal switch and stop lamp switch.

Seals and Gaskets:

Seals and gaskets for covered components are covered in conjunction with a covered repair.

C-3 Gold Coverage

Includes all C-2 Silver Coverage, plus:

Engine: Intake manifold(s); exhaust manifold(s); air filter housing; vacuum pump.

Steering (Manual or Power): Couplings; steering main and intermediate shafts; power cylinder assembly; power steering cooler; control valve; pitman arm; idler arm; tie rod ends; drag link.

Electrical: Engine Control Module (ECM); power seat motors; power seat switch; power window motor; power door lock actuators; power door lock switches; windshield washer pump and switch; distributor; horn(s) and horn button; cruise control engagement switch; power mirror switch.

Suspension: Upper and lower control arms; control arm shafts and bushings; upper and lower ball joints; steering knuckles; stabilizer shaft, link and bushings; kingpins and kingpin bushings / bearings.

Brakes: Master cylinder; wheel cylinders; disc brake calipers; metal hydraulic lines and fittings; vacuum assist booster; proportion valve.

Air Conditioning: Compressor; clutch; coil and pulley; condenser; evaporator. Accumulator / drier and orifice tubes are only covered in connection with replacement of an above listed component AND only if they have failed.

Cooling: Fan clutch and fan; electric fan motors; heater control valve.

Fuel Delivery: Electric and mechanical fuel pumps; fuel pressure regulator; fuel distributor; fuel pump driver module; fuel tank sending unit; fuel tank; metal fuel lines.

Seals and Gaskets:

Seals and gaskets for covered components are covered in conjunction with a covered repair.

C-4 Platinum Coverage

Includes all C-3 Gold Coverage, plus:

Electrical: Power window regulators and drives; front wiper motor including circuit board, relay and delay switch; manually operated switches for power windows, power seat(s), headlamps, wipers (front and rear), emergency warning flashers; trunk actuator and motor; hybrid power inverter assembly; hybrid system stator and rotor; hybrid system control units and sensors; fuel gauge sending unit; heated back glass elements (glass is not covered); rear wiper motor; heater blower motor; factory installed sun / moon roof motor and its wiring harness and switches; convertible top motor and switches; radio and CD player (factory or dealer installed with factory approved parts only); power antenna motor, mast and switches.

Suspension: Strut bar and bushings; spindles and spindle supports; Macpherson struts; coil-over shock assemblies; shackle bushings and eye bushings; springs, torsion bars and bushings; wheel bearings and seals; automatic leveling unit compressor, sensor and limiter valve.

Brakes: Power assist booster and valve; combination valve; backing plates; springs, clips and retainers; self-adjusters; rear activators; parking brake linkage and cables.

Air Conditioning: Manual switches; expansion valve; dryer tank; accumulator; POA valve; H block; hi / low pressure cut-off switch; ducts and outlet hoses; automatic temperature control unit.

Cooling: Radiator; thermostat; heater core; hybrid cooling system blower motor and pumps.

Electronics: Powertrain Control Module (PCM); Transmission Control Module (TCM); anti-detonation / knock sensor; Electronic Spark Control (ESC) module, Electronic Engine Control (EEC) module; Throttle Position Sensor (TPS); throttle actuator(s); Camshaft Position (CMP) sensor(s); Crankshaft Position (CKP) sensor; electronic module retard vacuum switch; electronic ignition module; igniter; electronic digital instrument cluster; digital driver information display and module; front, rear, and side view camera(s) and display monitor; instrument panel printed circuit board; failure of remote keyless entry transmitter and receiver (loss is not covered); heated side view mirror element; cruise control servo, module and transducer; compass; Vehicle Speed Sensor (VSS); sensors, initiators, and control module for Tire Pressure Monitoring System (TPMS); thermometer.

Sport Utility: Bumper step motor and mounting brackets; power tailgate actuator and motor; power winch motor, controller, wire harness and roller; spare tire carrier, swing arm, pivots, latches and locks; power running board actuator and motor; swing out mirror arms, mounts, actuator and motor; pop-out or sliding side / rear window latches and hinges; convenience bed liner; tailgate handle, lock, cables, hinges and latches; edge protectors; cargo lamp; tie downs; trailer hitch receiver, insert and plug receptacle; auxiliary fuel tank and switch over valve.

4-Wheel Steering: Control unit; actuator; mode selector; position sensor; rear tie rod assembly; rear gear assembly; cylinder barrel; center joint; pinion; power steering housing is covered if damaged by the failure of an internal part.

Anti-Lock Brakes (ABS): Electronic control unit; anti-lock computer module; wheel speed sensors / exciters; proportioning valves; high pressure hydraulic pump; ABS modulator assembly; accumulator.

Interior / Exterior: Glove box door and hinge; manually operated seat tracks; adjustable pedals; interior and exterior door handles; door hinges; map / courtesy light assembly; hood, trunk and hatch gas cylinders; hood, trunk and hatch hinges; speedometer head.

Emissions: Air fuel ratio sensor; knock sensor; fuel pressure sensor; idle air control valve; intake air temperature (IAT) sensor; Manifold Air Pressure (MAP) sensor; Mass Air Flow (MAF) sensor; oxygen sensor(s); Exhaust Gas Recirculation (EGR) valve; Delta Pressure Feedback EGR (DPFE) sensor; thermostatically controlled air intake; Secondary Air Injection (SAI) system; and throttle body assembly.

Seals and Gaskets:

Seals and gaskets for covered components are covered in conjunction with a covered repair.

C-5 Ultimate Coverage

Our most comprehensive coverage plan! If a component isn't on a short list of exclusions - it's covered!

In addition to all components covered under Core360's Bronze, Silver, Gold and Platinum levels of coverage, Ultimate Coverage covers 100s OF ADDITIONAL COMPONENTS! Virtually every mechanical and electrical component of new and pre-owned vehicles are covered, such as:

- Air door motors
- Anti-theft devices
- Audio system
- Driver assist sensors
- Fuel rail

- Heated seat elements
- LED signal mirrors
- Navigation system
- Rain sensing wiper system
- Seat memory modules

- Seat recliner
- Sunroof guides, tracks & cable
- Vehicle fluid coolers
- Wheel hub assembly

Not all benefits/coverages are available for all states or for all lenders. Please refer to the applicable service contract for specific benefits, terms, conditions, coverage, limits of liability and exclusions.
